Re: Request for Information
Specialty Board Certifications

Dear Ms. Clark:

I am responding on behalf of the Medical Board of California to your request for information dated October 22, 2018.

The Medical Board has approved the following specialty boards: American Board of Facial and Plastic Reconstructive Surgery; American Board of Pain Medicine; American Board of Sleep Medicine; and the American Board of Spine Surgery.

For more information, please visit

http://www.mbc.ca.gov/Consumers/Complaints/Complaints_FAQ/Practice_Specialties_FAQ.aspx. This list includes links to the four specialty boards directly approved by the Medical Board of California, and a link to the American Board of Medical Specialties where you can find more information regarding medical specialties and board certification in California.

Cordially,
